

ABOUT ME

My name is Diego Ricaurte, and I am a digital and graphic and web designer from Ellicott City, Maryland. I am passionate about design that is not only pleasing to the eye, but also intuitive to the user. I believe effective design can shed light on solutions that previously seemed impossible.

I thrive on new challenges and have a strong drive and initiative to learn. I love collaborating with others to create quality products, and I take pride in my ability to adapt to any setting with any team. Along with a cup of coffee, I believe a positive attitude and rigorous work ethic can move worlds.
