

ABOUT ME

My name is Diego Ricaurte, and I am a graphic and web designer from Howard County, Maryland. I am passionate about design that is not only pleasing to the eye, but also intuitive to the user. I believe effective design can shed light on solutions that previously seemed impossible.

I enjoy learning new skills and have a steep learning curve. I love working with others to create the best product, and I take pride in my ability to adapt to any setting with any team. Along with a cup of coffee, I believe a positive attitude and rigorous work ethic can move worlds.
